

Subject Assessment Plan –

A2 Biology

A2 Unit 3 – Energy, Homeostasis and the Environment

Link to specification	Evidence collected already
3.3/3.1 Respiration releases energy in biological processes	End of unit assessment including Recent and past questions from WJEC
3.2 Photosynthesis uses light energy to synthesise organic molecules	End of unit assessment including Recent and past questions from WJEC
3.7 Homeostasis and the kidney	End of unit assessment including Recent and past questions from WJEC
3.8 The nervous system	End of unit assessment including Recent and past questions from WJEC
Evidence to be Collected	
3.4 Microbiology	To be assessed in full or partial paper tests
3.5 Population size and ecosystems	To be assessed in full or partial paper tests
3.6 Human impact on the environment	To be assessed in full or partial paper tests
Unit 3 end of unit assessment	Full or Partial papers to be used, if required End of unit assessment will cover all unit 3 topics. Grade boundaries will be based on that year's grade boundaries

Subject Assessment Plan –

A2 Biology

A2 Unit 4 – Variation, Inheritance and Options	
Link to specification	Evidence collected already
4.1 Sexual reproduction in humans	End of unit assessment including Recent and past questions from WJEC
	End of unit assessment including Recent and past questions from WJEC
Evidence to be Collected	
4.2 Sexual reproduction in plants	To be assessed in full or partial paper tests
4.3 Inheritance	End of unit assessment including Recent and past questions from WJEC
4.4 Variation and Evolution	End of unit assessment including Recent and past questions from WJEC
4.5 Application of reproduction and genetics	End of unit assessment including Recent and past questions from WJEC

Evidence to be Collected	
Unit4 end of unit assessment	Full or Partial papers Unit 4 to be used, if required. End of unit assessments will cover all unit 4 topics. Grade boundaries will be based on that year's grade boundaries.

Subject Assessment Plan –

A2 Biology

Unit 5 assessment	Full or Partial papers Unit 5 to be used, if required. Grade boundaries will be based on that year's grade boundaries.
