<p>Year 10 CAG's 2019/2020</p> <p>Component 1. Human Lifespan Development. (30%)</p> <p>Component 2. Health and Social Care Services and Values. (30%)</p>	<p>Components 1 and 2 are assessed through internal assessment. Internal assessment for these components was designed to relate to achievement of application of the conceptual underpinning for the sector through realistic tasks and activities. This style of assessment promotes deep learning through ensuring the connection between knowledge and practice. The components focus on:</p> <ul style="list-style-type: none"> • the development of core knowledge and understanding of human growth and development, how people deal with major life events, health and social care services • the development and application of skills such as: practical demonstration of care values, together with the ability to reflect on own performance • reflective practice through the development of skills and techniques that allow learners to respond to feedback and identify areas for improvement using relevant presentation techniques, for example a logbook.
<p>Year 11</p> <p>Component 3: Health and Wellbeing (60%)</p> <p>Past Paper (Dated 1st Feb 2019) Mock</p> <p>Past Paper (Dated 7th Feb 2020) Mock</p> <p>End of unit test</p>	<p>There would have been one external assessment to provide the main synoptic assessment for the qualification.</p> <p>Component 3 builds directly on Components 1 and 2, and enables learning to be brought together and related to a real-life situation.</p>
