

Pupils in Foundation Phase and Year 3 have been working hard to set up their own 'Siop Llysiau' by growing a range of vegetables.

The cold weather and hail has not helped but finally they have lettuce available for sale!

The children have planted, watered, dug up, washed and priced the lettuce themselves and these are now busy selling all their lovely produce to the staff.

Well done to Holly Bunn who received a letter from Her Majesty the Queen.

Holly drew this card herself as she knows the Queen likes horses and sent this message of condolence to the Queen when Prince Philip died. Holly signed the card on behalf of all the cadets at school. All the pupils, not just Holly, are very aware how much they have benefited, and are still benefiting from the Duke of Edinburgh award scheme.

On behalf of the entire combined cadet force of St Brigid's school, Denbigh,
 We send our sincere condolences to her Majesty the Queen and her entire family.
 We also send our greatest gratitude for the Duke of Edinburgh award scheme.
 So far, over 450 cadets between the ages of thirteen and eighteen have received awards, and benefited hugely from the experiences it offers us. We will continue to work hard for many years to come, in honour of the Duke of Edinburgh's memory.

Yours sincerely,
 Holly Bunn (Bronze participant), and the St Brigid's cadets of the past, present and future.

Holly was very excited to receive this card back from Buckingham Palace.

Well done Holly.

Annie, Lena, Ruby and Penny from Year 2 attended a meeting with 8 other schools in the cluster to share information about their Welsh project. The girls spoke to children, teachers and councillors about their business idea to grow and sell their own vegetables. They discussed what they had done so far and the Welsh language patterns that they had been using. The girls spoke

confidently and clearly and did an excellent job of representing St Brigid's within the cluster. They enjoyed listening to the other children's businesses and this has given them more ideas to further develop their business in the near future. Well done to all of the children in Nursery to Year 3 for helping to develop the vegetable garden, it is looking fantastic! Da iawn pawb.

We said a fond farewell to a member of staff this week. Mrs Clarke (or Mrs Maloney or even Mrs Pepperoni) retired on Tuesday. She has been with us for over 15 years and she will be greatly missed by everyone. We received a lovely thank you letter from her along with this photo with all her presents and gifts.

Live Music is back!

If you, like us, have missed meeting like-minded musicians, playing incredible music together, and sharing your performances with others, apply to be part of the NYO Community 2022.

We are recruiting musicians to be part of a dynamic community of young people who are passionate about orchestral music, and who want to open up this music to their generation. In 2022, there are places for 1000 teenage musicians to be part of the NYO orchestral community, in NYO and NYO Inspire – this is your opportunity to join in.

By joining the NYO community you will experience transformative music-making at the highest level. You will take a deep dive into incredible music, creating thrilling performances for audiences of all ages, and you will use your voice to have your say about why music matters to make a difference to other young people.

Apply today for a place in NYO or NYO Inspire. If you are aged between 13-18, play at Grade 6 or above and want to be a part of NYO's musical community of teenage musicians in 2022 apply now at nyo.org.uk/join-nyo

Dining and Kitchen facilities at St Brigid's School. What a transformation from old to new!

From Monday our shiny new dining hall and kitchen will be up and running and ready to welcome all the pupils. Hot

meals will be on offer and more options will be in place from September.

A huge thank you to Denbighshire County Council for all their hard work and support.

Great Food, Great Value

- We only use quality ingredients in our dishes
- All meals are cooked fresh every day
- Menus are nutritionally balanced to improve learning and development
- Eating together helps improve important social skills
- We introduce your child to a wide range of tastes and flavours
- Our staff are parents too, so we understand fussy eaters
