

St Brigids School are organising this fundraiser on behalf of ST BRIGID'S SCHOOL LIMITED.

Can you help us to make a difference?

We're raising money in aid of ST BRIGID'S

SCHOOL LIMITED to purchase a new Laser Cutter for the Design Technology department and every donation will help.

The Laser Cutter will benefit every year group in school, for curricular and extra-curricular time, in addition to being able to help us to make items for our school community. The total cost is £6000, however, we have generously received £2000 from the Royal Society of Engineering and £500 from New Directions Supply Agency.

Please use the following link if you wish to support us: https://www.gofundme.com/f/Laser-cutter-for-St-Brigids-School?utm_medium=copy_link&utm_source=customer&utm_campaign=p_lico+share-sheet

Every penny counts, and we're hugely grateful! Thank you in advance for your contribution to this cause.

Pupils in the Foundation Phase have made the most of the nice weather this week and have enjoyed working in the garden planting a range of fruits and vegetables for their new business 'Siop Santes Ffraid'.

They are hoping to grow a range of produce that will be on sale soon!

smile.amazon.co.uk

A reminder that we are registered with Amazon Smile.

This means that when you click this link: <https://smile.amazon.co.uk/ch/1003157-0> and log in normally to your Amazon account, Amazon will donate 0.5% of what you've spent to our school.

This is a very quick and easy way for us to raise vital funds for our school.

You can set up your Amazon to always be linked to St Brigid's School Ltd and therefore you will be raising money for us without even realising. It will work on any device, so get shopping!

If you download the most recent amazon app and click on the three lines for settings, you can activate amazon smile on the app and do not need to click the link each time you want to shop.

During lock down, Ella-Rae Davies (8R) has been participating in an Arts Enthusiasts London zoom course to develop her artistic skills. Each week, the young artists are tasked with pieces to

recreate and are given feedback on their work. One assignment was to create a pastel portrait of Queen Elizabeth II. Ella-Rae is delighted that her work has been selected by Arts Enthusiasts London to be sent to Her Royal Highness, Queen Elizabeth II herself.

Well done Ella-Rae!

Welcome back. It was great to see everyone again.

Just a reminder, all CCF cadets need to come to school in their uniform. Don't forget to leave your beret in your trouser pocket – that's the easiest way to make sure you don't forget it. And please clean your boots. If they are muddy, wipe off the mud with a damp cloth. Let them dry. Then use some polish.

Looking smart in your uniform and taking responsibility for that yourself is a way of respecting our organization.

This week we carried on with some leadership tasks, where one of the young people takes charge of a team of their peers, and completes a task. It's a great way to build confidence, practice making decisions, work together as a team, and have a bit of fun. These 'soft skills' are not on the curriculum but are so useful in everything that we do, at school, at home and everywhere else.

Well done to Evie Carr was very busy during lockdown. As well as working extremely hard on her school work she has also engaged in many online dance zoom classes with some top choreographers. One of which asked Evie to be her assistant, which involved Evie being spotlighted whilst other students could watch Evie demonstrating the choreography. Also, Evie has been posted on a Choreographer/ Director in the West End

to be her assistant, which involved Evie being spotlighted whilst other students could watch Evie demonstrating the choreography. Also, Evie has been posted on a Choreographer/ Director in the West End

We are registered with the School Angel charity fundraising profile.

School Angel is a website that partners with lots of high street stores and holiday brokers, and for every sale, the individual retailer donates between 1-10% of the sale total to our school fund!

If you go to <https://www.schoolangel.org.uk/st-brigids-school.html> you'll reach our School Profile and from there you can shop via the store links.

Thank you for your help!

Breakfast Club - Please can we remind all Parents that the School Breakfast Club does not open until 8am. Pupils are can't be left in school prior to the club opening. Also, a reminder to pupils that they must order their lunch before 9.30am. This is particularly important whilst our kitchen refurbishment starts next week.

Thank you.

As well as secondary school transport, you can now apply for primary and sixth form transport for your children for September 2021. You can only apply for free school transport if a place has been confirmed at a school/college and you live in Denbighshire. To apply online, please visit our website <https://www.denbighshire.gov.uk/en/education-and-schools/grants-and-funding/free-school-transport/free-school-and-college-transport.aspx>

Free Lateral flow tests are available to all pupils in Year 7 and above. The lateral flow tests provide a result in approximately 30 minutes.

If you wish to register your child for a LFD kit please either copy and past the link below or contact Mrs Conway.

Thank you to all the Parents who have supported our new online Parents' evening system. It has been a great success and we have received lots of positive feedback from Parents. For those of you who are yet to experience it, Schoolcloud offers a new intuitive and easy to use online appointment booking system. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments. You will be notified of any forthcoming Parents' Evening by email. If you have any questions regarding schoolcloud please contact Mrs Collins at school.
