

How to upload work to Google Classroom

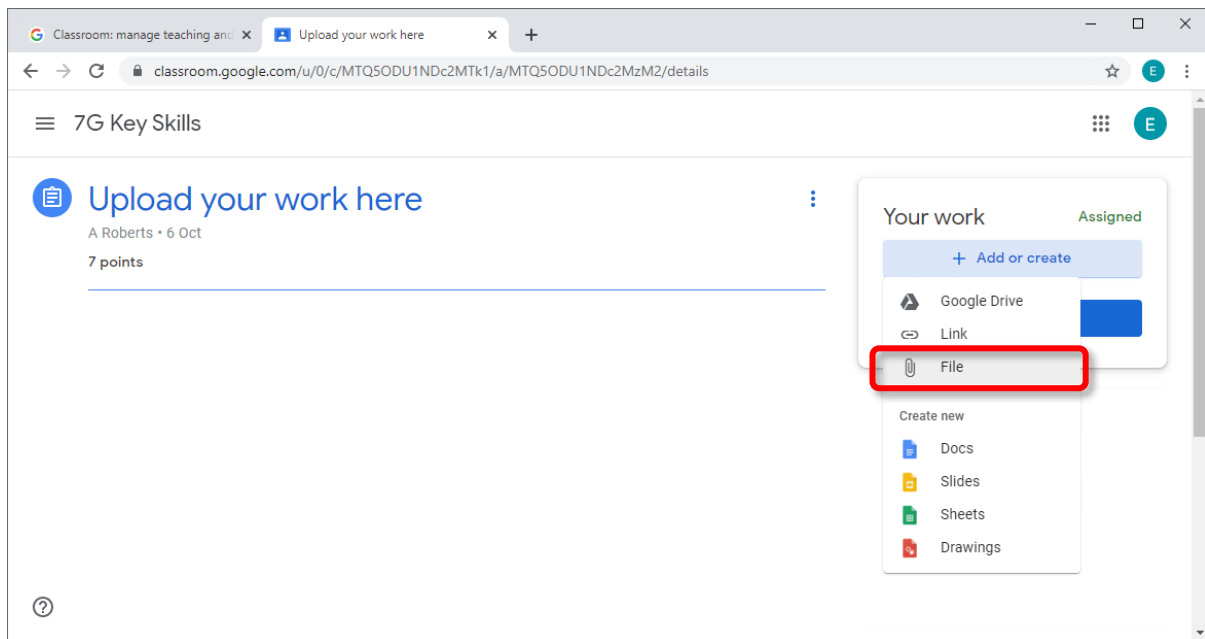

Under the **Classwork** tab, click **View assignment**:

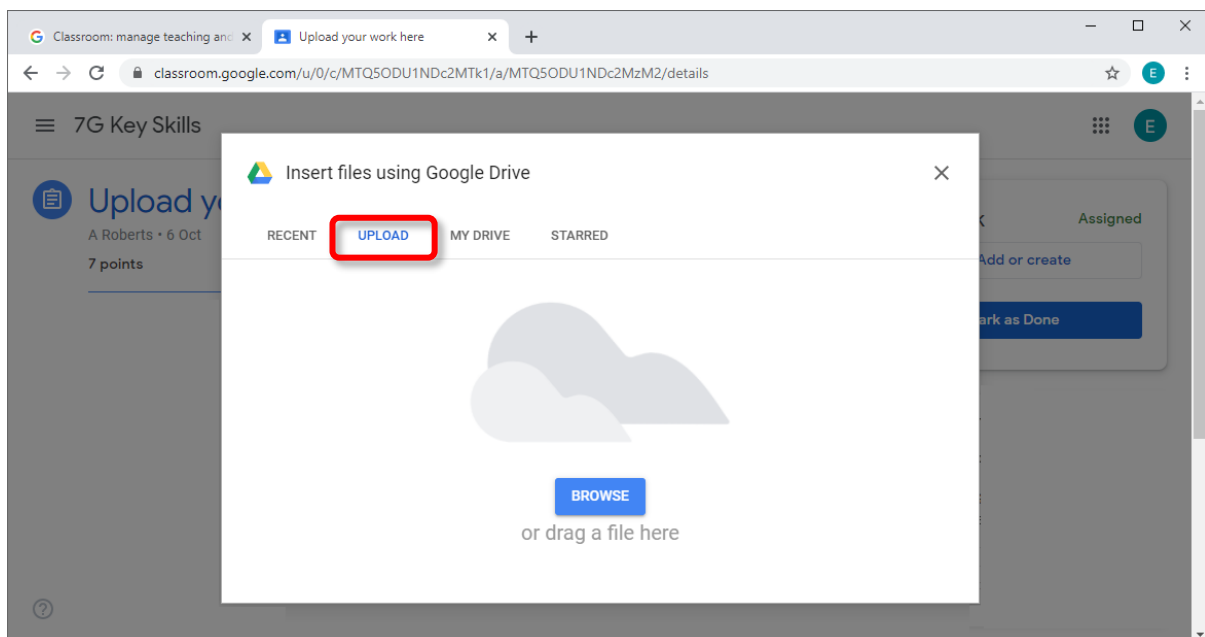

Then click **+ Add or create**:

Choose **File**:

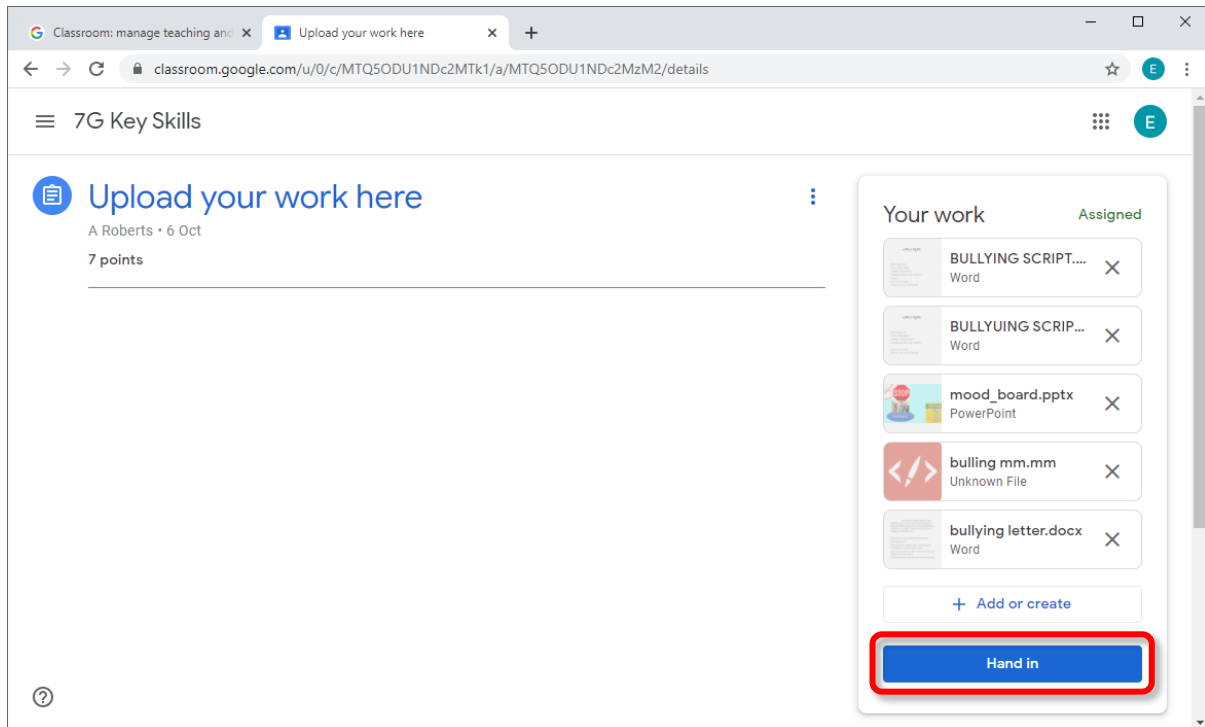

Click **UPLOAD**:

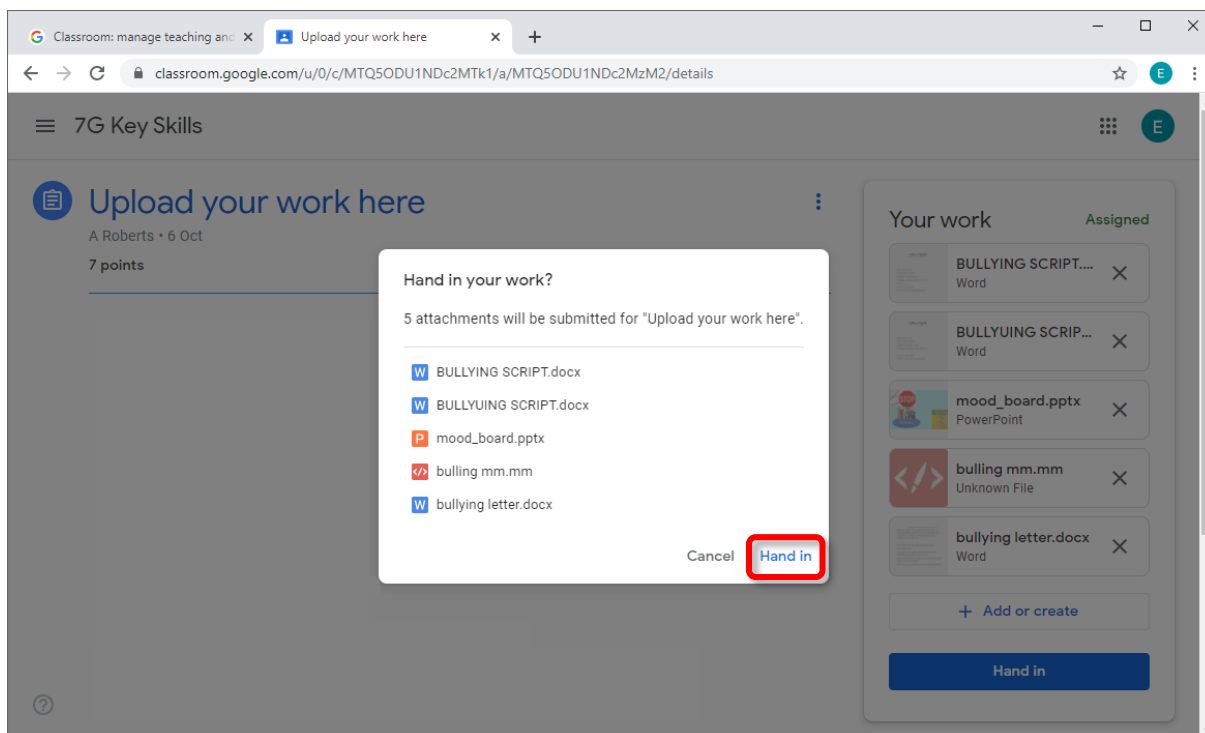

You can then either click **Browse** or drag and drop the files from another window on your computer.

Don't forget to hand it in!

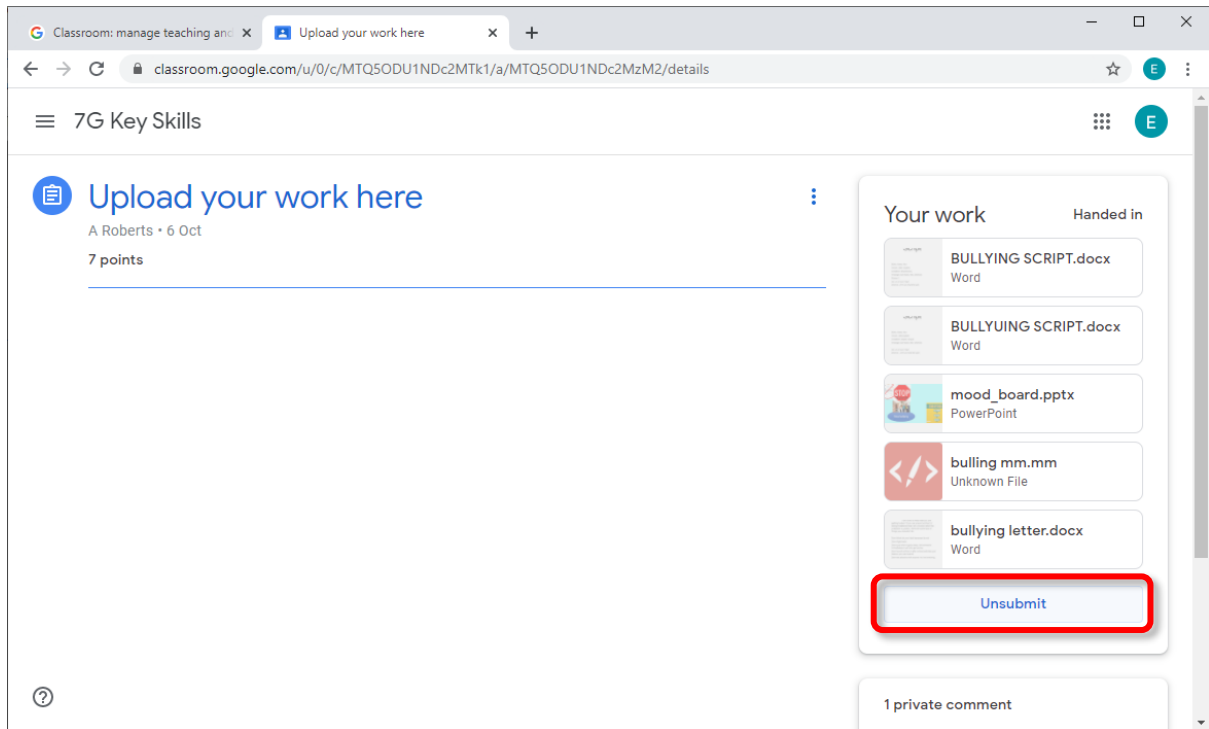

If you want your work to be marked, you must then click **Hand in**:

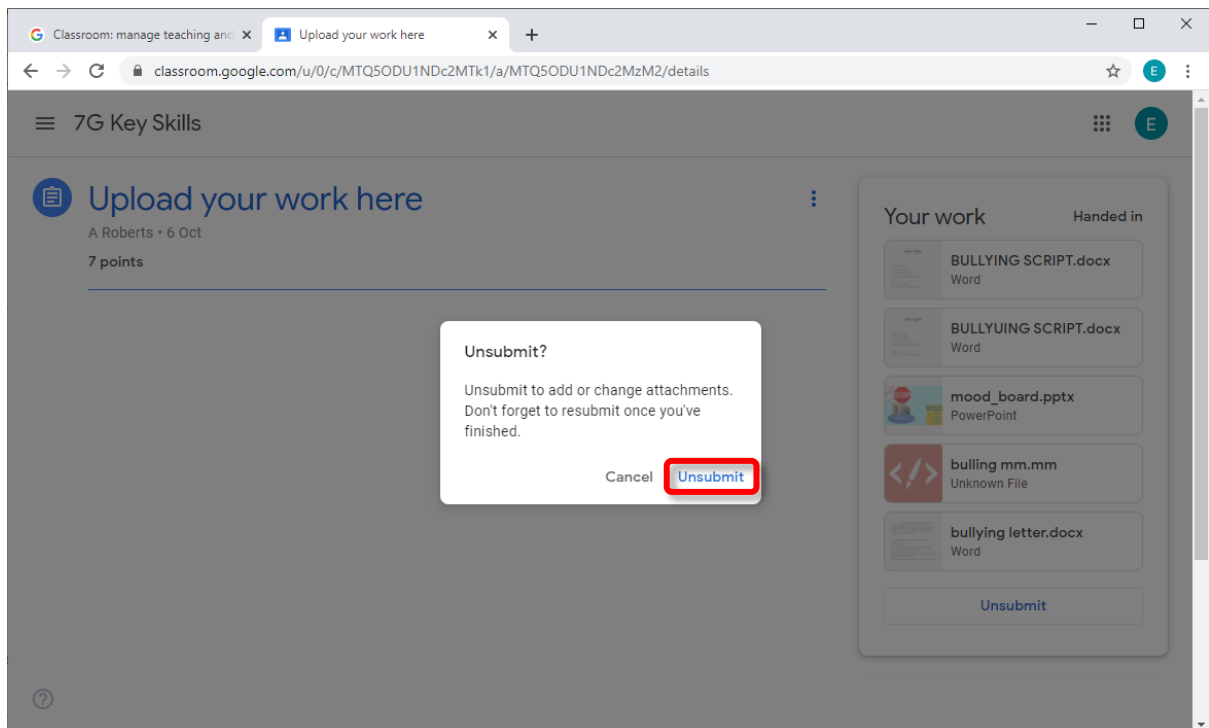

Click **Hand in**:

If you clicked hand in by accident or you have remembered that there is another file to upload, you can always click **Unsubmit** to withdraw the hand in:

Click **Unsubmit**:

If you want to resubmit your work again, you go through the same process.
