

Subject Assessment Plan – GCSE ICT

GCSE Information Technology

| Evidence collected already | Link to specification |
|--|---|
| NEA produced by WJEC - This controlled assessment consists of a portfolio of work which shows candidates' attainment in obtaining and interpreting different types of information; using, developing and communicating information to meet the purpose of their studies and presenting the results of their work. This assignment will assess the practical aspects of the functional elements of ICT. | Unit 2 Solving problems with ICT |
| Evidence to be Collected | |
| This examination paper will assess the 'application' content of ICT in a business and industry context. | Unit 3 ICT in organisations |
| NEA (non examination assessment) produced by WJEC - This controlled assessment will give candidates the opportunity to develop a piece of work using multimedia software following a single task brief issued by WJEC. | Unit 4 Developing multi media ICT solutions |
